NUTRA DEFENCE

NUTRA DEFENCE is a dietary supplement based on EKINA COMPLEX (*Echinacea Purpurea*, *Echinacea Angustifolia* + Rosehip e.s. tit.70% [C vitamin](#) and [zinc](#)).

Glass bottle of 60 melt tablets (to melt in the mouth).

NUTRA DEFENCE is a dietary supplement based on C vitamin from Rosehip Echinacea and Zinc. Echinacea promotes the body's natural defenses and the functionality of the respiratory tract. C Vitamin from Rosehip and Zinc contribute to the normal function of the immune system and contribute to the protection of cells from oxidative stress.

With regard to Echinacea, in particular:

- Echinacea Purpurea carries out an antiviral action, counteracting viruses.
- Echinacea Angustifolia has an antibiotic and bacteriostatic action, being able to inhibit bacterial replication.

Therefore, Echinacea extracts are useful:

- In the preventive phase, reducing the number of infections during the winter season.
- In the acute phase, reducing the time of disease.

C Vitamin extracted from the berry of Rosehip, playing an important role in the defense mechanisms of the respiratory tract, is useful in case of:

- Cold.
- Sore throat.
- Bronchitis.

Zinc is useful in case of:

- Cold.
- Diseases of the respiratory tract.

Clinical studies have shown the effectiveness of the active ingredients present in the Echinacea plant, associated with C Vitamin and Zinc, in the prevention/protection from colds and seasonal influences.
