NUTRAGEL 500ml - PACK 10

NUTRAGEL is a gel based on denatured alcohol (73% vol.) formulated to sanitize the skin of the hands without rinsing, leaving the hands soft and pleasantly scented.

1-**VEGAN FRIENDLY** formulation suitable for the whole family: glycerin of vegetable origin, gelling of vegetable origin, extracts of Lemon (essential oil) and Aloe vera

2-**NICKEL TESTED** formulation,- laboratory tested for nickel content. The product is safe for people suffering from **Allergic Nickel Contact Dermatitis (DAS)**: levels of this element are lower than a part per million (less than 0.00001%)

Pack of 10 500 ml bottles of hand sanitizing gel

Ingredients: denatured alcohol 73% vol.; water; glycerin of vegetable origin; hydroxypropyl methyl cellulose (HPMC); Aloe vera extract (Aloe barbadensis); lemon essential oil

Hydroxypropylmethyl cellulose (HPMC) present in the formulation is used for the following characteristics:

- 1- It is a gelling agent of vegetable origin (cellulose)
- 2- It's a vegan alternative to animal gelatin
- 3- It increases the viscosity and the stability of the emulsion over time

The result is a gel that:

- doesn't stick
- doesn't spin (doesn't have a "drool" effect)
- doesn't have a "pudding" effect

METHOD OF USE:

Pour a small amount of product directly on dry hands and rub until completely dry.

NUTRAGEL is useful in all situations where you want to sanitize your hands and do not have soap and water:

- Public transport (subway, tram, etc.)
- On the road (car, bus, etc.)
- Business meetings, meetings, exhibitions etc.

WARNING:

External use.

- Do not use on injured or irritated skin
- Avoid contact with eyes: in case of contact with eyes, rinse with plenty of water
- Read how to use it
- Keep out of reach of children
- Store in a cool and dry place
- Do not expose to direct light and heat
- Keep away from flames and heat sources

NUTRAGEL - HAND SANITIZING GEL

- Sanitizing action (denatured alcohol 73% vol.).
- Gentle on hands.
- Gelling agent of plant origin (Cellulose).
- Moisturizing and emollient action with vegetable glycerin, lemon essential oil and Aloe vera.
