Solid Balm Hemp and Borage-50g

SOLID BALM HEMP AND BORAGE

FEATURES: Suitable for all hair types. It nourishes and detangles hair without weighing it down. It gives shine and volume to the hair.

Hemp - Extract rich in phytokeratins , which help to improve the elasticity and the resistance of the hair, giving strength and vitality

Borage - The oil is great for polishing and conditioning lengths, helping to prevent hair breakage

Rice Proteins and Tapioca Starch - Calming and soothing for the scalp

Castor and Coconut Oils, Shea Butter and Cocoa - Strengthening, Nourishing, Emollient and Moisturizing

HOW TO USE: Rub the dough in your hands with warm water, in order to soften the product, until you get a cream to be applied on wet hair, after shampooing. If a greater amount of product is necessary, rub the dough directly on the lengths with a movement from top to bottom. Leave on for a few minutes and rinse thoroughly. Do not leave the dough in contact with water, it would dissolve greatly reducing the life of the product.
