Solid Shower Foam Sweet Orange-75 g

SOLID SHOWER FOAM SWEET ORANGE

FEATURES : suitable for all skin types. Gentle action.

Aloe - Renowned for its soothing, moisturizing and emollient properties

Sweet orange - It is the essential oil obtained from the peel of the fruits of *Citrus aurantium*. It is usually used for its astringent and calming properties

Shea Butter and Cocoa - Nutrients, emollients and moisturizers

HOW TO USE: Rub the dough in wet hands and apply the foam obtained on the body. If necessary, rub the dough directly on wet skin or on a soft damp sponge to promote the formation of foam. Massage gently and rinse thoroughly. Do not leave the dough in contact with water, as it would dissolve greatly reducing the life of the product.
